## INCREASED PRODUCTIVITY MEANS A BETTER BOTTOM LINE.

---

### DID YOU KNOW?

...that organizations utilizing a “unified communications” program save an average of 30-55 minutes per day for each employee?

...that many are using ACC’s Solutions to manage compliance initiatives such as HIPPA, Sarbanes/Oxley, and others?

...that “ACC Telecom delivered a rapid, measurable business return on investment in addition to a technology ROI for our organization,” according to Walt Riley, President of the The Larry Beck Company?

---

### ACC CAN HELP YOU MAKE MORE MONEY AND SAVE MORE MONEY.

There is unprecedented pressure to work quicker and more efficiently than ever before. Recent data suggests that your employees are working harder and longer. However, are you giving them the tools they need to be

efficient? Unified communications, IP-based networks, and remote office mobility represent some of the solutions that can help your company meet these demands. These applications save time as well as increase efficiency, flexibility and accessibility. Are you ready to take the next step? If so, we can help.

### AN INVESTMENT THAT PAYS DIVIDENDS IMMEDIATELY AND FOR YEARS TO COME.

Every ACC relationship begins with an assessment of your current systems. It is the beginning of a consultative approach which separates us from other vendors. At ACC each solution is unique, and every suggestion we make is aimed at supporting your goals, including:

- integrated end-to-end security.
- always-connected mobile workforce.
- reduced costs through unified communication.

- reduced costs with digital channels including direct inward dialing and caller ID.
- flexibility to support new users, open new offices.

ACC Telecom is committed to understanding your organizational goals. Our company, partnered with Toshiba and Cisco, will work diligently to provide the most efficient and cost effective solution for your work environment.

A photograph of a modern office building entrance. The building features a mix of red brick and large glass windows. A prominent concrete overhang above the glass entrance doors displays the company name. A young tree is planted in the foreground on the left, and a concrete walkway leads to the entrance. The sky is blue with light clouds.
