YEALINK T19P

Purchase \$70*

Rental \$3.50/month (36m agmt)**

*Add 3 yr Enhanced Warranty for only \$12.50

**Includes 3 yr Enhanced Warranty

The SIP-T19P E2 is one of Yealink's latest answers for the entry-level IP phone that offers features and performance normally associated with more advanced devices. The intentional choice of high-quality materials combined with a generously large 132x64-pixel graphical LCD 5-line display guarantees both a smoother user experience and easy access to more visual information at a glance. Dual 10/100 Mbps network ports with integrated PoE are ideal for extended network use. The SIP-T19P E2 supports a single VoIP account with simple, flexible and secure installation options, plus IPv6 and SRTP/HTTPS/TLS, VLAN and QoS. It includes headset use, is wall-mountable and has been designed very specifically for small businesses.

Your partner in building a future of communications for your business.
