

Phone & Hardware Lease Program and Rental Agreement

ACC Telecom's Phone & Hardware Lease Program and Rental Agreement ("Rental Agreement") is available to customers who have entered into a written contract for the purchase of ACC Telecom Hosted, Cloud-based PBX, VoIP or SIP Services (hereafter, the ACC Telecom PBX Purchase Agreement and/or SIP Terms of Service Agreement) with a minimum Initial Term of at least twenty-four (24) months. For clarification, the Rental Agreement must be conterminous with the ACC Telecom PBX Purchase Agreement and/or SIP Terms of Service Agreement and for an Initial Term of at least twenty-four (24) months, and the customer must enter into the Rental Agreement at the same time as the Start Date of the ACC Telecom PBX Purchase Agreement and/or SIP Terms of Service Agreement. This Phone Rental/Lease Program is offered and available to United States Residents only.

This Rental Agreement, when entered into, will form part of the ACC Telecom PBX Purchase Agreement and/or SIP Terms of Service Agreement, the terms of which are incorporated herein by reference, including, without limitation, all defined terms. Any capitalized terms not defined herein will have the same meaning as in the ACC Telecom PBX Purchase Agreement and/or SIP Terms of Service Agreement, as applicable.

Rental Services

This Rental Agreement is for the rental of certain telecom hardware (each a "Rental Device") from ACC Telecom (collectively, the "Rental Services"). ACC Telecom charges a recurring monthly fee for each Rental Device (collectively, the "Rental Fees"). As a part of your recurring bill from ACC Telecom, you agree to pay the Rental Fees for all Rental Devices, using the same payment method and payment period as your payments for ACC Telecom Hosted, Cloud-based PBX, VoIP or SIP Services, as defined in your ACC Telecom PBX Purchase Agreement and/or SIP Terms of Service Agreement. ACC Telecom will pro-rate, if applicable, the Rental Fees for any equipment that is rented, for the initial period from the start of the rental period until the end of then-current billing period for the ACC Telecom Hosted, Cloud-based PBX, VoIP or SIP Services, and the start of the rental will begin on the date a Rental Device is either installed by a member of the ACC Technical Team, upon activation of the PBX system, or in certain cases recorded as delivered by a designated courier (the "Rental Start Date").

The Rental Services with respect to a Rental Device shall commence on the Rental Start Date and terminate upon the earliest to occur of (a) either Party delivers written notice of termination of this Agreement to the other Party at least thirty (30) days prior to the applicable termination date (with such termination date being at the end of the ACC Telecom Hosted, Cloud-based PBX, VoIP or SIP Services billing period in which the end of such 30-day period occurs), or (b) the termination of the ACC Telecom Hosted, Cloud-based PBX, VoIP or SIP Services Purchase Agreement. Notwithstanding the above, at any time within thirty (30) days after the Rental Start Date, you may terminate the Rental Services with respect to a Rental Device immediately upon written notice from you to ACC Telecom, without paying any Rental Fees for such Rental Device.

Upon any termination of the Rental Agreement or Rental Services, you agree to return or purchase a Rental Device (including all accessories and materials that were provided with the primary hardware device) consistent with ACC Telecom's written instructions and in accordance with the Return or Purchase Rights section of this Rental Agreement, and that Rental Device will no longer be considered a Rental Device upon the completion of a return or purchase. If you do not return a Rental Device (subject to ACC Telecom's inspection and acceptance of the returned Rental Device in its reasonable discretion) within thirty (30) following the termination of the Rental Services for such Rental Device, you will be deemed to have purchased that device at a purchase price equal to (1) during the first 12 months after you received the Rental Device, 100% of the Rental Device's then-current ACC Telecom list price shown on ACC Telecom's web site, or (2) after such 12 month period, 80% of such list price, and you agree to pay the applicable purchase price.

If you wish to upgrade a Rental Device, the replacement of the current Rental Device shall be deemed a termination of the Rental Services with respect to the current Rental Device and be subject to the termination provisions hereof, including the return or purchase provisions for the Rental Device set forth in the Return or Purchase Rights section of this Rental Agreement; provided that the Rental Services for the current Rental Device shall be deemed to terminate, and the Rental Services of the replacement Rental Device shall commence, on the date the replacement Rental Device is either installed by a member of the ACC Technical Team, upon activation or upgrade of the PBX system, or in certain cases recorded as delivered by a designated courier. The Rental Fees for the Rental Services do not include additional services you may select, taxes, fees, international usage, and other additional services. Sales tax varies by jurisdiction of purchase or rental and may be calculated based on full retail price or ACC Telecom cost price, as determined by the tax law in the jurisdiction of purchase or rental.

Rental Devices Ownership; Damage and Loss

ACC Telecom is and will remain the owner of each Rental Device unless title is conveyed to you in writing following ACC Telecom's confirmation to you of its receipt of your payment in full of the purchase price for the Rental Device. If both parties agree upon a Rent-to-Own payment plan in writing on the ACC Telecom Hosted, Cloud-based PBX, VoIP or SIP Services Purchase Agreement, then ACC Telecom will remain the owner of each Rental Device until the Rent-to-Own program terms have been fulfilled. You will not grant any third party any right to use, possess, or control any Rental Device, sublease any Rental Device, attempt to dispose of any Rental Device, grant any interest or right in a Rental Device to any third party, or otherwise do anything that undermines ACC Telecom's ownership of each Rental Device. ACC Telecom may, without notifying you, assign ACC Telecom's interest in any Rental Device, and in that event, ACC Telecom's assignee will have all of ACC Telecom's rights in the Rental Device under this Agreement, but none of ACC Telecom's obligations. You agree not to assert against ACC Telecom's assignee any claims, offsets, or defenses you may have against ACC Telecom. Upon ACC Telecom's request, you will execute and deliver to ACC Telecom any documents or forms for protecting ACC Telecom's ownership and interest in each Rental Device, including finance statements under the Uniform Commercial Code.

Upon receipt of each Rental Device, you will examine each Rental Device, and unless you notify ACC Telecom within five business days of your receipt of a Rental Device to any issue with a Rental Device, each Rental Device is deemed to be in good working order at the time of receipt. In the event that any Rental Device delivered to you is stolen, lost, damaged, or transferred to any third party, regardless of the circumstances or cause, you will immediately notify ACC Telecom in writing and pay ACC Telecom a purchase price equal to (1) during the first 12 months after you received the Rental Device, 100% of the Rental Device's then-current ACC Telecom list price shown on ACC Telecom's web site, or (2) after such 12 month period, 80% of such list price. This obligation does not apply to any damage to a Rental Device that is covered by the manufacturer's warranty.

Replacement Policy of Rental Device

ACC Telecom's Phone & Hardware Lease Program and Rental Agreement ("Rental Agreement") covers parts replacement and/or refurbishment in the event of hardware failure due to mechanical defects and normal wear and tear. Replacement Rental Device will be preprogrammed, per availability, and shipped to Customer at their business location unless otherwise specified. Customer will send defect device back to ACC Telecom per designated courier call tag within 10 days of receipt of new device. Failure to return the defective Rental Device will result in a Non-Device Return Fee, which includes a purchase price equal to (1) during the first 12 months after you received the Rental Device, 100% of the Rental Device's then-current ACC Telecom list price shown on ACC Telecom's web site, or (2) after such 12 month period, 80% of such list price. ACC Telecom's Phone & Hardware Lease Program and Rental Agreement ("Rental Agreement") does not cover damage by an 'Act of God' (i.e.- floods, storms and lightning), fire damage, misuse and abuse including liquid damage, and disposable items such as batteries and headsets, or add-ons such as phone cameras or wall mounts. Should an 'Act of God' or similar occur within 12 months of the Device Rental Start Date, ACC Telecom will contact the Device manufacturer directly, on a case by case basis, to determine replacement coverage options, and should the Device manufacturer accept the return of the damaged device then no Device chargeback will occur.

Rental Device Usage

You will ensure that: (a) each Rental Device will only be used in a careful and proper manner and in accordance with the written instructions provided with it by ACC Telecom, as may be updated by ACC Telecom or the manufacturer of the Rental Device from time to time; (b) each Rental Device will be used with due care and will not be defaced, modified, or used or operated in any manner or for any purpose in violation of any federal, state, or local law or regulation; (c) each Rental Device must remain within the United States and may not be exported or re-exported to any country contrary to U.S. export laws; (d) any regulatory or certification markers affixed to a Rental Device may not be removed, defaced, or otherwise obstructed; and (e) each Rental Device will only be repaired subject to ACC Telecom's express written authorization and in accordance with ACC Telecom's instructions and requirements.

Return or Purchase Rights Returns

When you return a Rental Device, you agree to return a fully functional and non-damaged Rental Device to ACC Telecom, at your risk and cost, and you agree that, to the extent that you do not do so, you will be obligated to pay ACC Telecom a thirty-five dollar (\$35.00) re-stocking fee. You agree to pay all shipping and handling charges related to any Rental Device and related hardware returns.

All Rental Devices and related hardware must be fully functional, include all components, manuals, peripheral devices, and all other accessories that were originally shipped with the Rental Device. At our discretion, we may decline your return or charge you an additional fee of thirty dollars (\$30) for each missing item or for each item that we determine is damaged or not in good working condition.

Before returning any Rental Device or hardware that has data in its memory, please transfer all files you wish to retain to another file source. Once the hardware is returned, your files cannot be recovered and you release us of any liability for any lost, damaged, or destroyed files, data, or other information.

Purchases

You may purchase a Rental Device at any time following 12 months from the date you received the Rental Device. You agree to purchase the Rental Device for 80% of the Rental Device's then-current ACC Telecom list price shown on ACC Telecom's website.

Other Remedies

If you are obligated to return or purchase a Rental Device subject to this Return or Purchase Rights section of this Rental Agreement, and you have not returned a Rental Device or you have defaulted in any obligation to pay the purchase price due for a Rental Device to be purchased, ACC Telecom may, in addition to those remedies available at law, in equity, or as otherwise set forth in this Agreement, take possession of any or all Rental Devices without demand, notice, or legal process, wherever each Rental Device may be located, and you hereby waive any and all damages occasioned by that taking of possession.
